

WELLNESS AND HEALTH HOLIDAYS

Be there on a relaxing getaway in Dubai

Emirates Holidays brings you wellness and health packages in association with the Dubai Health Experience (DXH), partnering with world-class spas, wellness centres and health facilities in Dubai.

Health and wellness is an integral part of life and whether you are looking for detox and rejuvenation programmes, weight loss and fitness packages, spa retreats or complete wellness packages, we have hand-picked some exceptional resorts and programmes to suit your needs. Below is a selection of wellness holidays that are a combination of health programmes and recreational activities, where we will take care of everything, including the flights, hotel stay, pre-booking your package and return airport transfers. And if you would like to tour Dubai or shop at one of Dubai's many malls, we can arrange that too.

DNA Health, Madinat Jumeirah – Dubai

DNA Health is the UAE's first luxury medical clinic with a world-renowned medical team focused on bespoke treatments in the fields of Preventative Care, Functional Medicine and Bio-Aesthetics. Located on the tranquil grounds of the 5-star Jumeirah Al Qasr hotel, next to the award winning Talise Spa, DNA Health's team of internationally renowned US and European trained and certified clinical professional team are committed to provide unparalleled care and bespoke treatments.

DNA Health has designed Exclusive Medical Packages for Emirates Holidays so you can experience the best of Dubai Health Experience (DXH), an initiative of Dubai Health Authority, with specialist medical treatments and an on-going relationship for repeat visits every year.

Wellness and Health packages with DNA Health include return Economy Class flights on Emirates from Kuwait to Dubai, stay in an Arabian Deluxe Room at Jumeirah Al Qasr, Exclusive Medical Packages Wellness Programme as specified above, return airport transfers in a private car, room tax, service charges, airport departure tax and fuel surcharge.
